## “JUST BEYOND” – Shawna Moore + Matt Flint

RECEPTION FOR THE ARTISTS

PARK CITY—Gallery MAR is excited to share a two-person exhibition by friends and contemporaries Matt Flint and Shawna Moore. Their show title "Just Beyond" is suggestive of their processes, methodology, and philosophy: the elusive qualities that are close enough to be within reach but require a probing effort to access them.

For Flint, “Painting is like exploring in the mountains, it is primarily about the journey and the process. I am curious, and I want to see what is over the next hill or in the next painting.” View the show and hear directly from our featured artists as they share their artistic practices and the processes behind their artwork. Enjoy light refreshments, live music, visual intrigue, and excellent conversation.
